

Request for Printed Annual Report

IMPORTANT NOTICE TO FINANCIAL MEMBERS ANNUAL REPORTING FROM 2008 – 2009 YEAR

Historically, the club (and all companies) were required by law, to print and send a copy of the annual report to every financial member of the club for that year.

Printing and mailing out Annual Reports is a very expensive exercise, and often resulted in some households receiving more than one, and some up to 4+ copies.

Changes to Section 314 (1AB) of the Corporations Act 2001 advised in the Corporations Legislative Amendment (Simpler Regulatory System) Act (2007) allow the club, upon this advice, to send the Annual Report only to those members who elect to receive a copy. In addition, the Annual Report can be produced in two formats – A detailed Annual Report and a Summary Annual Report (which includes a summary only of the Financial Statements). We may only produce the detailed report.

For those who do not elect to receive a copy of the club's Annual Report for the 2008/2009 year onwards, it will be available on the club's website www.sydneyflyingsquadron.com.au

If you do wish to receive a copy of the annual report in future, please COMPLETE BELOW and return it to the club for processing:

The Secretary Manager, Sydney Flying Squadron Limited
PO Box 577, Milsons Point NSW 1565
