# Guidelines

---

## **Introduction**

These guidelines must be followed by club staff.

---

## **Underage drinkers**

We will not knowingly serve alcohol to underage patrons. Proof of age will be asked for if in doubt

---

## **Membership requirements**

If we are unsure if a patron is a Member, we will ask to see their Membership card or Temporary Members ticket. We will not serve anyone without proof.

---

## **Intoxicated persons**

Persons entering these premises, who are deemed to be intoxicated will be politely refused entry.  
We do not accept or allow indecent, violent or quarrelsome behaviour. Sale of alcohol will be politely refused to those patrons deemed to be intoxicated.

---

## **Drinking patterns**

We do not promote erratic drinking patterns which may include:

- Ordering multiple samples
  - Mixing a wide range of drink types
  - Ordering “double-triple” shots
  - Ordering large samples
  - Drinking quickly
- 

## **Driving and drinking**

We support and actively promote initiatives to minimise drink driving in order to safeguard the wellbeing of our patrons.

---

## **Evicting patrons**

Anyone deemed by management to be outside these guidelines will be asked to leave the premises quickly and quietly. Police may be called for assistance if patron(s) in question refuse to leave.

---

## **Consequences**

Remember: The person you allow to drive a vehicle under the influence of alcohol could well be the person who causes the next fatality.
